

Boli Mali Bamana Amulet Statue

1 200 EUR

Period : 20th century

Condition : Etat d'usage

Description

Rare Boli fetish from the Bamanas of Mali. These fetishes are made of various plant and sacrificial materials applied to a base carved from wood in the shape of an animal. As layers and various applications are added, it takes on the appearance of an animal resembling a buffalo. These fetishes are highly prized for their very primitive, almost prehistoric appearance. Height 25 and 29 cm, with the wooden base measuring approximately 26 cm long.
