Description

Mid-century "Sputnik" decorative tile top table, turquoise and black, from the 1960s This piece captivates with its naive, hand-drawn figurative design on the tabletop. A young girl, depicted in shades of blue, turquoise, brown, and green, stands surrounded by six matte tiles, signed "Jean-Marie." On the right and left, six glossy tiles frame the illustration. The tabletop is edged with a black iron frame (height 2.3 cm) and rests on flared "Sputnik" legs. A distinctive original brass finial (height 2.3 cm), featuring a small inner rim, crowns the leg. The iron base has been re-waxed, and the tiles have been cleaned.
