

China. Celadon Porcelain And Brass Teapot.

110 EUR

Period : 20th century

Condition : Très bon état

Material : Porcelain

Diameter : 14 cm

Height : 11 cm

Description

I'd like to offer you this superb Chinese celadon porcelain teapot with a beautifully crafted brass base. It features lovely chiseling and incised decorations on the upper brass section, as well as on the base and the stopper. There are inscriptions all around the porcelain. The shape is superb and rare.
