Extendable Round Table In Inlaid And Carved Walnut, Mid-19th Century

2 400 EUR

Period : 19th century

Condition : Bon état

Material : Wallnut

Diameter : 127

Height : 79

Description

Louis-Philippe table in solid walnut, with a round top inlaid with light-colored wood. The central leg is finely turned and richly carved, giving the table a refined decorative balance. The table comes with two non-contemporary extension leaves. When extended, stability is ensured by four support legs--two on each side--which, when the table is closed, fit neatly underneath the tabletop. Italy, mid-19th century. Condition: good; signs of wear and tear are due to use and age. Dimensions: diameter approx. 127, height approx. 79 cm; extension pieces 45 cm each.
