

Trinity Designer Coffee Table 1960s

650 EUR

Period : 20th century

Condition : Bon état

Description

This Trinity coffee table combines the elegance of 60s design with clever functionality. Its glass top and organically curved wooden base conceal three nesting tables. A vintage English Nathan piece, compact and ingenious, ideal for a modular and distinguished living room. Model:

Trinity Publisher: Nathan Supply Epoque:

1960s Provenance: England Materials: glass top and wooden foot Color: Wood Style:

Vintage Dimensions: H51cm x D83cm Round table with 3 small nesting tables that slide under the table to optimize space and which you can place in the living room when you have guests. A compact but functional model! We particularly like the organic curves of its structure. Les Belles Vies - Vintage furniture:
