Marble Coffee Table By Aka Wattenheimer Kunststoffwerke

500 EUR

Period : 20th century

Condition : Bon état

Description

AKA Wattenheimer Kunststoffwerke (Frey + Roth KG) was a German company known for producing technical and industrial furniture in synthetic materials and aluminum, often intended for public spaces, cafeterias, waiting rooms or offices in the 1960s and 1970s. Inspired by the timeless elegance of Eero Saarinen, this stunning 1960s coffee table combines a round white marble top with a sculptural cast aluminum leg. Its vintage design, combining refinement and modernity, will naturally find its place in a contemporary or mid-century interior. An exceptional centerpiece, ideal for enhancing your living room. This coffee table measures 59 cm high (the current European standard is between 40 and 50cm.) Period: 1960s Origin: West Germany Materials: Marble top and cast
