Description

Discover the legendary Orange Slice Armchair, a design icon imagined by Pierre Paulin in 1958. Produced by Artifort, its organic silhouette and enveloping seat offer exceptional comfort and timeless style. Pierre Paulin loved pop colors, it was reupholstered in bright orange to keep this heritage. It's Mélanie's favorite. Don't wait too long, she dreams of putting it in her living room. A very beautiful piece of French design.
