Description

Émile Gallé - Cylindrical single-flower vase with chrysanthemum decoration
An elegant, cylindrical single-flower vase made of multilayered glass, featuring an opalescent base in delicate shades of white and purple, adorned with a refined design of chrysanthemums in shades of purple. The floral design unfolds across the tall cylindrical body, highlighting the flowers and their long, finely drawn petals. The purple gradient lends depth and subtlety to the overall effect. The slightly irregular neck and the corolla-shaped base accentuate the elegance of this Art Nouveau piece. The glass has been fire-polished, giving the surface a smooth, luminous finish that highlights the nuances of the design. The "Gallé" signature is engraved within the design. An elegant creation by Émile Gallé, reflecting his taste for floral
