

Napoleon III Feather Duster In Cobalt Blue Opaline, Bronze, And Horsehair

250 EUR

Period : 19th century

Condition : Parfait état

Material : Opale

Diameter : 9 cm

Height : 5 cm

Description

Made of blue crystal opaline with twisted ribs resembling a flower, with a central element resembling a pistil, this horsehair brush serves as a quill cleaner; the base is made of gilded bronze. A rather exquisite example for this type of everyday object and therefore quite rare, dating from the second half of the 19th century.
