

19th-century Library Step Stool

1 850 EUR

Period : 19th century

Condition : Très bon état

Description

A superb and rare 19th-century oak library step stool. It consists of four steps connected by upright posts into which the steps are recessed. At their base, crossbars and upright posts at the back--all with scalloped edges--reinforce the structure. The left side features a railing supported by five vertical posts. The piece is very elegant, sturdy, and stable. This high-quality piece is in perfect condition, has been restored, and would fit seamlessly into any interior.
