

Walnut Chest Of Drawers With Hinged Top

1 380 EUR

Period : 19th century

Condition : Très bon état

Material : Walnut

Length : 124

Height : 82.5

Depth : 59

Description

Early 19th-century Louis XVI-style walnut chest of drawers with a stepped top, featuring two front drawers with drop handles. This chest of drawers is particularly long for a "sauteuse." The front and back uprights are fluted, and the legs end in a shoe-shaped base. The chest of drawers is in very good condition and has been fully refinished.
