Description

Bronze sculpture with original patina by the famous sculptor Vincenzo Gemito (Naples, 1852-1929). It depicts Anna Gemito, the artist's wife. He was one of the leading figures of Italian sculptural Verismo; the young woman is depicted in a naturalistic style with her head slightly tilted and turned to the left. Her face has an intense and emotional expression, with her mouth slightly parted and her gaze directed upward. Her hair is gathered in a soft style at the nape of her neck. Signed "V. Gemito" on the back. Naples, early 20th century
