Description

Brief Description Antique portrait of a man, folk art dated 1835. Painted in watercolor, a beautifully executed piece despite its delightfully naive quality. Period frame with numerous traces of repainting. On the back is written: "Portrait of my father's brother, painted by my father." Very attractive patina throughout the piece, with plenty of character. Dimensions 19 cm high, 15 cm wide, 2 cm thick. Price 190 EUR. Additional photos and similar items on our website:
