

Large Chinese Rug With Antique Finish, Wool, Circa 1980

2 800 EUR

Period : 20th century

Condition : Etat d'usage

Material : Wool

Length : 350

Width : 250

Depth : 12

Description

Entirely hand-knotted, pure wool, plant-based dyes, and measuring 350 cm x 250 cm. These Chinese rugs have a tradition dating back thousands of years and were once crafted for the imperial court. Their design is instantly recognizable, featuring motifs inspired by porcelain painting, such as traditional flowers and stylized scrollwork. Today, these designs have become much rarer, as rugs are increasingly inspired by the style of Persian rugs.
