Scandinavian Bar Cabinet/desk With Geometric Designs, 1950s

1 800 EUR

Period : 20th century

Condition : Très bon état

Material : Teak

Description

An elegant Scandinavian-style bar cabinet from the 1950s, crafted from exotic wood with a warm mahogany hue. Beautifully proportioned, the upper section features a storage unit consisting of doors and a central drop-down bar, fitted with glass shelves. The right side is adorned with four polychrome geometric decorative panels in shades of red, black, and gold, adding a particularly original touch to the piece. The lower section opens with four large drawers, each fitted with carved wooden handles. The piece rests on an elegant tapered base, connected by a long lower crossbar, typical of Nordic furniture from this period. The piece captivates with its understated lines, beautiful wood grain, and the successful combination of wood and decorative elements. In perfect condition. Period: circa
