

Small, Very Old Decorative Wrought-iron Grille

550 EUR

Period : Before 16th century

Condition : En l'etat

Material : Wrought iron

Width : 38 cm

Height : 84 cm

Description

Small, very old decorative wrought-iron grille

Incredible wrought iron work--notable for its delicacy, its naivety, and its craftsmanship--possibly from the 16th century? The four fasteners seem to indicate that it once protected a niche? A few pieces are missing
