

Pair Of Antique Brulot Cups In Porcelain, Decorated With Figurative Medallions. Italy, 19th Cen

150 EUR

Period : 19th century

Condition : Bon état

Description

Beautiful pair of brulot cups in thick hard-paste porcelain, traditionally used to serve very hot beverages, often flambé liqueurs or strong coffee. The cups, in a vivid deep orange, are hand-decorated with figurative medallions painted in reserve and enhanced with a fine gilt border. This type of decoration, characteristic of Ginori porcelain from the late 19th century, draws on classical references and reflects a strong taste for antique iconography. Good overall condition. Light wear to the orange colour, especially on the saucers, consistent with age and use.
