### Description

Set of 4 vintage Art Deco-style armchairs - Beige crocodile-patterned leather - From an Italian designer  
An elegant set of four vintage Art Deco-style armchairs, particularly decorative thanks to their understated, architectural lines. These armchairs boast an interesting provenance: they come from the collection or home of an Italian designer, a detail that enhances the decorative appeal of this set. Fully upholstered in ivory-beige leather with a crocodile-skin embossed pattern, they feature a wraparound backrest extended by curved armrests and a generous seat. The upholstery is embellished with decorative metal studs, arranged along the waistband and armrests. The armchairs rest on slender tapered legs in dark wood topped with metal glides, lending the set an elegant Art Deco
