550 EUR

Period : 19th century

Condition : Très bon état

Material : Wood marquetry

Length : 32cm

Width : 24cm

Height : 26cm

Description

19th-century (Napoleon III) liquor cabinet made of burl and knotty thuja wood with beautiful, deep amber grain. The cabinet is adorned on the top and front with a marquetry panel featuring foliage motifs in brass, precious wood, and mother-of-pearl inlays. Opening mechanism: Tilting top lid and two side doors that open like an accordion or a folding wallet. Original key included. Interior tray: Removable dark wood tray featuring a highly sculpted gilt bronze central handle. Glassware / Crystal: Includes its 4 crystal decanters engraved with geometric and floral motifs and their faceted stoppers, as well as a complete set of matching engraved liqueur glasses. (9 original cut crystal glasses, 2 stoppers of a different design). Legs: Rests on four blackened spindle legs. Excellent condition
