

Marquetry Chest Of Drawers That Doubles As A Writing Desk

1 480 EUR

Period : 19th century

Condition : Très bon état

Material : Marquetry

Length : 64

Height : 76.5

Depth : 45

Description

A Transition-style marquetry chest of drawers serving as a writing desk, opening at the front with a door and two flaps. The top, covered in black leather with gold-plated metal hardware, is surrounded by an openwork gilt-bronze railing. The drawer opens to reveal a small writing compartment also lined with black leather with gold-plated hardware. A single key works both locks. This lovely piece, inlaid on all sides, is embellished with high-quality bronze fittings. Width with the drawer open: 72 cm
