Description

Cailar Bayard was a French silversmithing firm founded in 1874 by Noël Cailar and Pierre Bayard. The silversmith's workshop was located in Paris at 37 and 39 Rue Grange aux Belles, producing high-quality silver objects until 1934. A very lovely pair of small Louis XVI-style silver-plated candlesticks from Cailar Bayard. They are in good condition; they just need cleaning. We didn't want to alter them and have left them in their original state. However, they can be cleaned before shipping if you'd like. This pair of candleholders adds a lot of charm to a table. Height: 10 cm. Base width: 7.5 cm x 7.5 cm. Free shipping within France. Shipping to Europe: 10 euros. No Mondial Relay, please.
