Depth : 86

Description

Impressive burl-wood and marquetry cabinet with drawers - Neoclassical design An elegant and impressive burl-wood cabinet with drawers, featuring exquisite decorative quality and a balanced, neoclassically inspired design. The front is organized around a central drawer, flanked by two slightly curved panels, each opening to reveal two large drawers. The facades are accented with fine marquetry fillets and adorned with remarkable figurative medallions in light wood on a dark background, depicting figures in the classical style. The desk rests on eight tapered legs topped with metal feet. The wide tabletop is covered with green leather featuring gold filigree decoration, providing a generous writing surface. An interesting feature is that the piece has two sheathed side pull-outs, which significantly

increase the work surface. The various drawers offer ample storage capacity and retain their lock holes and pull rings. A particularly decorative desk, notable for the richness of its burl wood, its generous proportions, and its elegant decor inspired by antiquity. Period: 19th century Style: Neoclassical Materials: burl wood, marquetry, green leather, metal fittings Condition: good overall condition with signs of use and minor wear consistent with its age, particularly on the leather.
