Description

Baroque-style mirror, crafted from carved and gilded wood, dating from the early 20th century in Italy. The openwork frame features leaf motifs in a swirling pattern, typical of Baroque opulence, which lend the piece a timeless elegance. The elaborate design and original gilding highlight the quality of the craftsmanship, making the mirror a distinctive decorative element for classic and refined interiors. Product condition: Due to its age and wear, this item requires restoration and re-polishing. We strive to present the actual condition of the piece as fully as possible through the photos. If certain details are not clear from the photos, the description takes precedence.
