Description

Empire-style Office Armchair with Egyptian Heads - Mahogany and Green Leather Beautiful mahogany office armchair, in the Empire / Return from Egypt style, featuring elegant design and remarkable carved decoration. The straight armrests are supported by two carved posts featuring female heads with Egyptian-style headdresses, extended by stylized forms. The front legs end in powerful carved lion's paws, characteristic of the Empire decorative style. The slightly curved high backrest and the seat are upholstered in dark green leather, secured by a row of decorative nails. The center of the backrest is adorned with an elegant gilded floral motif. The overall silhouette, both understated and imposing, is enhanced by carved details such as palmettes, rosettes, and geometric motifs. The leather on the
