

Vauzelle Vintage High Chairs - Green Velvet Seat

190 EUR

Period : 20th century

Condition : Bon état

Description

High chairs produced by Vauzelle, recognizable by their gunmetal gray tubular structure and their bentwood seat covered in green velvet. This furniture, designed to last, is stable, comfortable and particularly well made. Its minimalist and functional line recalls the French productions of the 80s/90s, between architect's furniture and high-end community universe, finding its perfect place around a central island, a bar or a large high table. Dimensions and information: Possibility of resizing the height to measure according to the height of your work surface. Quantity available: 6 pieces.
