

Pair Of Vintage Wooden Chairs - Canework Back And Seat

210 EUR

Period : 20th century

Condition : Bon état

Description

Pair of wooden chairs with cane seat and back. Their simple structure and light proportions make them easy to integrate around a table, in a kitchen or as extra seating. The contrast between the dark wood and the canework brings a soft and warm presence, with visible traces of time which contribute to their character. Seat dimensions: Seat height: 42 cm Seat width: 35 cm Seat depth: 39 cm Les Belles Vies - Vintage furniture: <https://www.lesbellesvies.fr/>
