Description

Discover this pair of vintage Baumann chairs, Traineau model, which embodies the elegance of the 70s. Made in France, these chairs are distinguished by their sturdy beech structure and their terracotta fabric seat, bringing a warm touch to your interior. Their vintage style fits perfectly into retro or contemporary decoration, offering a timeless aesthetic. Each chair has been carefully reupholstered by our workshop, guaranteeing optimal comfort and an impeccable finish. These Baumann chairs are ideal for those looking for authentic and durable furniture. Their unique design and manufacturing quality make them a popular choice for lovers of vintage decoration. Bring a touch of charm and history to your space with these iconic pieces.
