

Fauteuil Anda Par Pierre Paulin édité Par Ligne Roset

1 400 EUR

Period : 20th century

Condition : Bon état

Description

Discover the Anda armchair, designed by the French designer Pierre Paulin and produced by Ligne Roset. This armchair has been reupholstered in a lovely cream fabric with touches of orange. For its design, the French creator drew inspiration from the traditional *crapaud* (toad) armchair, which he sought to modernize. Taller than the classic *crapaud*, it offers great comfort and excellent head support.
