

Vintage Armchairs In Solid Beech

940 EUR

Period : 20th century

Condition : Bon état

Description

Discover this pair of vintage beech armchairs, from Germany in the 60s. Their design is distinguished by the superb graphic line of the armrests, bringing a retro touch to your interior. These armchairs measure 80 cm in height, 55.5 cm in width and 60 cm in depth, with a seat of 44 cm in height and 41 cm in depth. Ideal for a living room, they fit harmoniously into various decoration styles. Their impeccable condition testifies to their quality and durability. These armchairs are a wise choice for lovers of vintage furniture looking for both aesthetics and comfort. Les Belles Vies - Vintage furniture:
