Description

Octagonal repoussé copper mirror - Floral and Orientalist design
Elegant octagonal wall mirror, surrounded by a wide frame of repoussé copper with a patina, accented with golden hues. The particularly rich decoration consists of foliage scrolls, stylized flowers, palmettes, and heart-shaped motifs, arranged symmetrically around the mirror. The relief work and numerous dotted details lend the piece a beautiful decorative effect. In the center, the beveled octagonal mirror features a patina and a few marks due to its age, adding to the piece's overall charm. The back retains its original mounting with a backing panel and hanging mechanism. An original decorative piece, ideal for a classic, eclectic, or characterful interior. Period: early 20th century Material: repoussé copper, patinated and
