Description

Pair of Louis XVI Cabriolet Armchairs - Original Blédina Bathers Design A charming pair of Louis XVI-style cabriolet armchairs, crafted from natural wood with carved and molded details. The medallion-shaped backs are highlighted by a carved frieze and topped with a small foliage motif. The armrests with cuffs rest on curved and fluted supports. The set stands on four tapered, fluted legs, characteristic of the Louis XVI style. The yellow fabric upholstery adds a particularly original touch: each backrest is adorned with a small figure of a bather in a red swimsuit, in a retro and offbeat style. The reverse side also features a printed design reminiscent of vintage advertising illustrations. A beautiful decorative pair combining the classicism of the structure with a humorous contemporary
