Description

Decorative wall sconce handcrafted from wrought iron. The design has a distinctly Art Nouveau character, featuring fluid, organic lines that form a symmetrical arrangement of stylized stems, leaves, and flowers. The central section consists of a vertical plant motif ending in branched shoots that extend into the candlestick's side arms. At the tips of the twigs are holders fitted with spikes for securing the candles. Art Nouveau, circa 1900. Hand-forged iron. Height: 78 cm, width: 76 cm, depth: 13 cm. Condition: Good. Natural metal patina, a few localized scratches, and slight signs of wear. Stable structure.
