

Mazda Desk Lamp, Art Deco.

650 EUR

Period : 20th century

Condition : Très bon état

Material : Painted wood

Diameter : 24,5 (base)

Height : 71,5

Description

The inverted truncated cone-shaped shaft is made of turned wood and lacquered in "rosewood." The base, made of metal painted "rosewood," is also truncated cone-shaped but very flattened. The joint where it meets the shaft is made of gilded brass. The original white opaline "tulip"-shaped lampshade and its socket are secured to the body by a stepped brass ring. A very beautiful Art Deco lamp in excellent original condition.
