

Pair Of Silver Vases

400 EUR

Period : 19th century

Condition : Bon état

Material : Sterling silver

Description

A pair of weighted silver single-flower vases with an architectural design and rectangular cross-section, resting on a molded octagonal base. The slightly flared body is decorated on each side with cascading foliage and laurel leaves in relief, standing out against a finely striated background framed by fillets; the upper section is highlighted by a frieze of water leaves and adorned on the sides with small movable rings. The beveled base features a design of fluting and acanthus leaves, while the rectangular neck has a circular opening. Minerva hallmark, 1st title (950?) Weighted feet, silver-plated metal hallmark Gross weight: 456 grams Height: approx. 12 cm
