

Oval, Gilded Silver Reliquary With A Radiating Design Set With Garnet-red Gemstones

550 EUR

Period : 19th century

Condition : Parfait état

Material : Vermeil

Width : 8 cm

Height : 6.2 cm

Description

A reliquary dedicated to Blessed (Bti) Jean Gabriel Perboyre, a Lazarist who died a martyr in China by strangulation in 1840. It is set in a composition of 425/1000 silver, gilded, featuring a radiating lace design set with red glass stones. On the back, the seal and its mounting are intact. Jean Gabriel Perboyre was proclaimed Blessed--the final step before beatification--in 1889 by Pope Leo XIII; we can therefore be certain that this reliquary dates from the late 19th century. Shipping available in France and internationally; please contact me for details
