Description

France, circa 1800-1805
Type: Astronomy
Dimensions: Height: 51 cm Width: 35 cm Depth: 13 cm
8-day movement with a corded pendulum adorned with a small angel. Hand-wound mechanism with chimes for the hours and half-hours on a small silver bell. Richly decorated gilt-bronze pendulum, retaining its original gilding and in very good condition. A unique model depicting a reclining woman reading on a sofa beneath a canopy. The richness of the ornamental details clearly reflects the theme of astronomy.
