Width : 7 cm

Height : 20 cm

Depth : 7 cm

Description

A young man who has just graduated from high school, standing and saluting in a suit and hat; he is made of terracotta and signed by Bernard Bloch, a famous 19th-century Austrian artist who specialized in subjects from literature and legends, presented with a touch of humor and plenty of charm, as is the case here with this young man, who is holding a fire starter with a match holder and a rough, plant-like surface for striking the match. Shipping available in France and internationally; please contact me for details
