

6-light Regency-style Chandelier In Gilded Bronze

1 400 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Width : 58cm

Height : 70cm

Description

Regency-style chandelier in gilded bronze with 6 light arms in chiseled and gilded bronze. The central shaft is openwork with geometric motifs and volutes, while the rest of the chandelier features foliage scrolls, stylized acanthus leaves wrapping around the arms, fluted candle holders, and a finial adorned with openwork geometric motifs. 19th-century piece, circa 1880. Electrified to European standards. Height: 70 cm
