

Medical Table

900 EUR

Period : 19th century

Condition : Etat d'usage

Length : 140cm

Width : 58cm

Height : 75cm

Description

19th-century medical table. This isn't an obstetric table, as one might think, but perhaps a psychiatric one. There are still a few bits of straps left on the steps. A curiosity. A brass plaque reading "Maison Augoyard, Rue Saint-Lazare, Paris"
