Description

An elegant pair of Napoleon III armchairs in carved walnut, dating from the 19th century. These armchairs feature graceful, flowing lines, with shaped backs, sinuous armrests, and finely curved legs, characteristic of the Napoleon III style. The warm tone of the walnut enhances the refined and decorative character of the set.

The upholstery is covered in antique floral tapestry with polychrome decoration on a green ground, highlighted by decorative upholstery nails. The ensemble offers a beautiful harmony between the sculpted wooden frames and the richly ornamented fabric.
