### Description

A lovely set of five chairs and two armchairs from the 19th-century English Windsor style made of oak. A very beautiful design with reinforcements in the back, which is essential for ensuring good sturdiness. A very beautiful set with a lovely patina. They have been inspected by our cabinetmaker and are very sturdy and stable. The chairs are comfortable and have a good seat height. (45 cm). The seating is a single piece with a beautiful grain pattern and is carved from a solid block of wood--a sign that they date from the 19th century. Delivery available in Belgium, France, and internationally. On display in our showroom at 41 Rue Henri Wafelaerts, 1060 Brussels, Belgium. More information and photos available upon request.
