

Capodimonte Porcelain Plaque In High Relief Depicting Pegasus

1 250 EUR

Signature : Capodimonte

Period : 19th century

Condition : Très bon état

Material : Porcelain

Description

A superb and elegant Capodimonte porcelain plaque in high relief. It is set in an octagonal molded wooden frame adorned with brass plates, finely chiseled escutcheons, and marble elements. The polychrome porcelain plaque depicts a mythological scene: Perseus riding the winged horse Pegasus amid the clouds. This superb-quality piece is in perfect condition and bears the "Crown Naples" mark on the back. The colors have remained vivid, and the piece makes for a stunning decorative element.
