Description

This Louis XVI-inspired walnut display cabinet stands out for its classic elegance, featuring a door adorned with twelve beveled panes that offer a luminous transparency and showcase the objects on display. The carefully molded upper cornice crowns the top rail, which is embellished with a relief frieze that adds a touch of elegance and highlights the piece's intricate craftsmanship. The fluted side panels extend this vertical elegance, while the finely turned spindle legs ensure a harmonious presence and timeless charm. Inside, four adjustable shelves supported by a rail system allow for flexible organization, ideal for displaying books, collections, or decorative objects, making this display cabinet a piece that is at once aesthetic, functional, and resolutely authentic.*****Period: Early 20th
