### Description

This set of twelve cherry wood chairs perfectly embodies the warm elegance of the Provençal style, featuring meticulous craftsmanship in which each chair has been re-squared, ensuring impeccable stability and exemplary durability. The backrest is distinguished by its exquisitely delicate carving: the upper section is adorned with a delicate draped design, enlivened by finely carved garlands that add a touch of lightness, while the central medallion features a fan motif, emblematic of southern artisanal craftsmanship. The set exudes a beautiful visual harmony. The removable seat cushions, currently upholstered in a traditional striped fabric, can be fully customized to your taste, allowing you to adapt these chairs to a classic, contemporary, or more rustic interior by choosing a new upholstery that
