Description

Elegant and refined, this small Napoleon III table embodies all the craftsmanship of 19th-century cabinetmakers. Its triangular tabletop with undulating flaps, delicately accented by a bronze astragal, reveals marquetry of great finesse, composed of harmoniously assembled mahogany pieces. The finely chiseled floral decoration attests to the rare mastery of the workshop's craftsmanship. Resting on three curved legs, this piece stands out for the perfect balance of its lines. The legs are embellished with gilded bronze ornaments, adding brilliance and sophistication to the piece as a whole. The harmony between the curves, the decoration, and the bronze accents gives this table an exceptional decorative presence. As much a work of art as a piece of decorative furniture, this Napoleon III
