Description

19th-century Comtoise clock - Complete and in working condition. A beautiful 19th-century Comtoise clock, housed in a tall wooden case with simple, elegant lines. The upper section opens to reveal a white enamel dial with Roman numerals, surrounded by a beautiful repoussé brass decoration. The finely crafted hands add to the clock's overall charm. The tall, slender case features a slightly undulating front. It is adorned in the center with a circular oculus revealing the pendulum's lens, a particularly decorative detail. This Comtoise clock has retained a beautiful antique patina, with normal signs of wear consistent with its age. It is complete, with its mechanism and pendulum, and is in working condition. An authentic 19th-century Comtoise clock, both decorative and functional, that will
