Description

This Anglo-Indian letter chest features a beautiful solid teak construction accented with a rosewood strip on the front. The front is adorned with brass hardware, including corner reinforcements, a functional lock with its key, side handles, and decorative brass strips that enhance its antique character. This travel chest features several compartments and pockets designed for storing documents and small accessories. The interior of the chest is fitted with numerous compartments and dividers, providing practical organization for correspondence, papers, and personal belongings. A truly distinctive piece, both elegant and functional, that will appeal to lovers of antique furniture and add a touch of refined authenticity to any interior. *****Period: Late 19th centuryIn good condition following
