Description

Set of 6 Empire-style dining chairs - Mahogany, gilded bronze, and cane An elegant set of six Empire-style dining chairs, featuring beautiful neoclassical design. The chairs are crafted from mahogany wood, in a warm reddish-brown hue. The tall rectangular backs are upholstered in golden-yellow fabric, accented by matching trim. The decoration is enhanced with gilded bronze accents: palmettes and foliage motifs atop the backs, decorative side panels, and small ornaments at the joint blocks. The seats consist of natural cane, lending lightness and elegance to the set. They rest on four legs, the front ones turned and finished with small gilded bronze feet. A decorative set with a beautiful appearance, ideal around a dining table or in a classic interior. Condition: signs of use and minor
