Description

A beautiful set for 12 guests, consisting of 12 water glasses, 12 wine glasses, 2 stoppered water carafes (75 cl), 2 stoppered wine carafes (75 cl) in Baccarat crystal, Epron model. Epron is a stunning model that features a classic Baccarat shape--also found on the Cavour and Molière glasses, for example--with a cut decoration of points (an impressive five on each glass), whose slender design gives it a light and modern character. It belongs to Baccarat's high-end line, with a hexagonal-cut stem, a star-cut base, and pine cone-shaped carafe stoppers. It appears in the Baccarat catalog of Tableware from 1907 and was later named "Epron" (it appears under this name in the 1933 catalog). Our glass does not bear a Baccarat signature (it was produced prior to 1936, when the crystal manufacturer began
