E. Fulche... (19th Century) : "the Military Salute"

380 EUR

Period : 19th century

Condition : En l'etat

Description

E. Fulche...(Late 19th-century French school) :
"The Military Salute," oil on canvas, 65 x 48 cm,
presented in a varnished wooden frame (showing
signs of wear), 81 x 64 cm. Canvas has been
trimmed (the end of the signature is missing) and
roughly mounted on cardboard with a gray mat,
oxidized varnish, and a few scratches, secured
with a medium board. A true naïve artist in the
tradition of Douanier Rousseau, our artist
depicts a decorated veteran with a wooden leg
saluting the sentry on duty at his guardhouse at
the Lourcine barracks, located at 37 Boulevard
Port Royal. A poster regarding the 1889 draft
lottery reminds us that conscription was a matter
of chance at the time. A charming painting and
historical artifact. Please feel free to ask us for
photos or additional information by email or
